Mr. Paul F. Royster
Assistant Commissioner
for Operations
Bureau of Public Roads
Washington 25, D. C.

Dear Mr. Royster:

We have received your letter of August 25 transmitting the P.S. and E. documents and title sheet tracing for Project 1-All, Prestressed Concrete Girder Bridge at the Leesburg Road Interchange (Virginia State Route 123), Approaches, and Other Work, George Washington Memorial Parkway, Fairfax County, Virginia.

The P.S. and E. papers were found to be satisfactory. The title sheet has been signed by the Acting Chief of Design and Construction and the undersigned and is returned herewith as requested.

Funds for this work have been made available from the Central Intelligence Agency and advertisement of bids may proceed immediately.

Sincerely yours,
